Western Snowcat Rendezvous
Winter Camp-Out Weenie Roast
& Slushy Festival**

Quite possibly the largest round-up of eclectic tracked vehicles ever attempted under the winter sky in the Northern Hemisphere!

Mark your calendar for February 2008, grease those trailer bearings and start smoozin' your significant other because...

There are mountains to climb, lies to be told, beverages to consume, and gas to be passed at the 1st Annual Snowcat Frank & Bean Weenie Roast, Bonfire & Pow Wow

Where will you be when the Tortoise and Hare Snowshoe race is afoot? Will you be decked out in your grass skirt and Hawaiian shirt at the soon to be famous High Mountain Luau? Is that your smiling face we see in the Rouge Roundup Group Photo?

Don't be a grouser, stay on track and be there in '08!
